

### ACCOUNT SERVICE

We offer an account service at The School Shop at Worth so that pupils, both day and boarding, can purchase uniform, toiletries and stationery during term time. An account can be setup with us in one of two ways; either a deposit to be paid in advance or a card number to be kept on record. A copy of each of these setup forms will be included in the end of term school mailings. They are also available to download on our website. Once your account has been opened a separate statement from 'The School Shop Trading Company Ltd.' will be forwarded to parents at the end of each term.

Once setup, the accounts will need to be renewed for the beginning of each academic year. This will ensure that all accounts will be up-to-date, and will allow parents to maintain control on a year to year basis.

### HOUSE RUGBY SHIRTS

When ordering your House Rugby Shirt at the school shop, please let us know the name and the number required on the back. We will require your full name and contact details at the time of ordering. Sample shirts are available at the school shop for sizing purposes.
